

The ENTIRE entertainment of the SuperBowl which was televised was DISTASTEFUL and DISGUSTING ! I was babysitting 3 boys- ages 3 1/2, 7 and 10. I was APALLED to have to watch the black music artist who continually grabbed his CROTCH while singing! Is this an indication of what is now considered the "NORM" in our society today ? If it is, it is a PATHETIC comment on the state of our national society! This does not even include my thoughts on Janet Jackson, which I personally thought was not quite as bad as the CONTINUAL CROTCH GRABBING ! STOP THIS NOW !!!!!!!!!!!!!!!!!!!!!!!
